### Complete Landsculpture Hires Robert Knaack as Landscape Architect

Dallas, TX – March 23, 2009 – Complete Landsculpture announces Robert Knaak joined their team as Senior Landscape Architect to lead design center in its new state of the art production facilities.

Knaak brings 15 years of design and architecture experience in landscape to Complete Landsculpture. “He adds a new level of creative influence to Complete Landsculpture’s clients with design insight stemming from east coast to west coast experiences,” says President, Chris Strempek.

Knaak holds a Bachelor of Landscape Architecture from California Polytechnic State University and has worked with companies such as RBK Design Studios, Phillips Environmental and Knaak Design Group.

Complete Landsculpture intends to utilize Knaak’s landscape architect and design expertise to bring clients another level of value when developing concepts and Master Plans.

Complete Landsculpture is an award-winning, full-service architectural landscaping firm offering comprehensive, innovative and creative solutions for all your outdoor needs – Creating a Complete Outdoor Experience.
