Perceived Experience	Feeling																							
	Thinking	Wow this page is really busy... Where do I find rates? Ok, I think I found what I need	This feels like a good move	If needed: Well this stinks, I just need to get my lights on If not needed: I hope they don't need this...pew	Good, everything worked as normal	I expected this, no surprises Wow, they send a lot of emails but at least I know what's going on	I just ordered this, why do I have to confirm this again? At least I am scheduled for electricity	Way to go Ambit,	Great, everything is moving along smoothly Didn't I already receive a welcome email?	Wow, this is higher than expected	This is kind of hard and kind of confusing to understand	This is not too hard	Good everything processed, I'm on with my day	Yay, now I never have to remember my payment again	5 days in advance?? That's a bit much don't you think? So my due date is actually a week earlier	It's already time to renew? I'm glad they reminded me!	I just want to go with the same plan, it stinks that I have to fill out so much information every six months - nothing has changed	Great, everything went smoothly	Cool, there were no issues	Customer oblivious	Customer oblivious	Wait, what happened to my rate??	What happens now and how do I get back to where I was before?	Everything is back to normal
Opportunity	Suggestions	Make rates page easier to find, especially if different ad displaying on AE.com	Offer compare option with example forecast	Offer description of why deposit may or may not be required - what is a DUN?	Possible survey: How easy was it to figure out which plan works best for you?	Ensure customers understand that enrolling in paperless billing means all future communication is paperless	Possible survey: How easy was this process? Did you find what you needed? What could we have done better?	Possible survey: How can we make our paperwork easier to understand?	Provide intro email series on how to work with Ambit or how to read your bill	If this is the first time they register or pay bill, offer a different experience that walks them through where to find things on MAA	Possible survey: How easy was this process? Did you find what you needed? What could we have done better?	Confirmation email with next steps of what to expect on autopay and how reminders/renewal will work	Do we know what our draft line looks like on a bank statement and is it easy to understand/fix? Possible survey: How can we make this process easier for you?	Possible survey: Did we give you enough time to react and was this a sufficient reminder?	Possible survey: How easy was this process? Did you find what you needed? What could we have done better?	Possible survey: How can we make our paperwork easier to understand?	Customer may not be aware of change until their first bill is received - is there a way to contact once change is made?	Provide clear message that customer now on variable plan with form to complete or link to change plan	Offer clear opportunity to go back to term	if customer logs in after rollover has occurred, make their online experience different by walking them through possible solutions with appropriate messaging
